LANCOM Wireless ePaper Premium Mount 7.4"

Free choice of location for your digital room signage

The LANCOM Wireless ePaper Premium Mount 7.4" gives you greater freedom in the design of your digital room signage. It has a larger mounting surface, which makes it easy to attach the display even to smooth surfaces. Its gray coating is color-matched to the LANCOM Wireless ePaper Displays, so providing a uniform and discreet appearance from any angle.

→ Compatible with 7.4" Wireless ePaper Displays of the first and second generation (WDG-1 / WDG-2)

→ Tool-free mounting with adhesive dots

→ Premium materials for an exclusive look

LANCOM Wireless ePaper Premium Mount 7.4"

Compatible with first- and second-generation 7.4" Wireless ePaper Displays

Modern environments make special demands. Which is why you can mount your 7.4" LANCOM Wireless ePaper Displays with the Wireless ePaper Premium Mount very quickly and easily.

Tool-free mounting with adhesive dots

Using the mount to install the displays requires no additional tools thanks to the supplied adhesive dots. These provide an ideal hold even on surfaces where mounting with screws is not possible. You have the option of mounting your digital room signage on glass or metal elements.

Premium materials for an exclusive look

Thanks to its gray coating, the LANCOM Wireless ePaper Premium Mount blends in seamlessly in any room and offers an exclusive look from any angle.
