

## LANCOM Dead on Arrival Policy

By choosing a LANCOM product, you have chosen the utmost in quality. If your newly purchased device should nevertheless be defective, our LANCOM Dead on Arrival (DOA) Policy reliably protects you: We will provide you with a replacement device in an uncomplicated manner and within the shortest possible time, so that nothing stands in the way of putting your LANCOM device into operation. We will, of course, pick up the defective device free of charge for you.

- Fast replacement in case of failure of a central network component during or up to 24 hours after initial start-up
- Advance next business day replacement including delivery (if reported until 2 p.m.)\*

**Validity and conditions**

- Valid for all devices classified by LANCOM as central network components.
- Valid for 30 days from initial purchase of the device via a LANcommunity partner and within the EU (excluding islands, date of invoice is significant)
- The device fails to start during commissioning or fails within 24 hours after commissioning

For further details and exclusions, please refer to the General Warranty Conditions.

**Claim**

In case of DOA, you can reach the LANCOM service hotline Monday to Friday from 9 a.m. to 5 p.m. at +49 (0) 2405 / 49 936-210. Please have the invoice and the serial number of your device ready for the check. If the report is received until 2 p.m., we will endeavor to deliver a replacement device on the next working day (Monday to Friday)\*. The defective device will be picked up by a courier service. Shipping is free of charge for you.

**Further Information**

All services of the LANCOM Service & Support for LANCOM hardware products and series can be found in the LANCOM Service & Support overview. For further information on the warranty conditions, please refer to the General Warranty Conditions.
