

LANCOM Visio / draw.io Shapes

02/2026

LANCOM Systems offers its own Visio and draw.io shapes that can be used in the Microsoft Visio or draw.io visualization software.

A compressed file with all LANCOM Visio and draw.io shapes shown in this document can be found under [this link](#).

In the device overview from page 5 you can download the Visio or draw.io shape for the corresponding device directly by clicking on the symbols  and  left to the device name. The shape can then be added to your Visio or draw.io drawing.

In addition, a click on the page headers in the device overview will take you to the corresponding device category on the LANCOM Systems website.
